Kinderhocker Linny

Aufbauanleitung

Childrens stool Linny - Kinderkrukje Linny - Scabello per bambini Linny
assembly instruction - montagehandleiding - istruzioni di montaggio

- 1** Stecken Sie die Rollen (B) an das Fußkreuz (C) und setzen Sie die Gasfeder (D) ein.

Attach the castors (B) to the base (C) and fit the gas spring (D).

Bevestig de wieltjes (B) aan het onderstel (C) en plaats de gasveer (D).

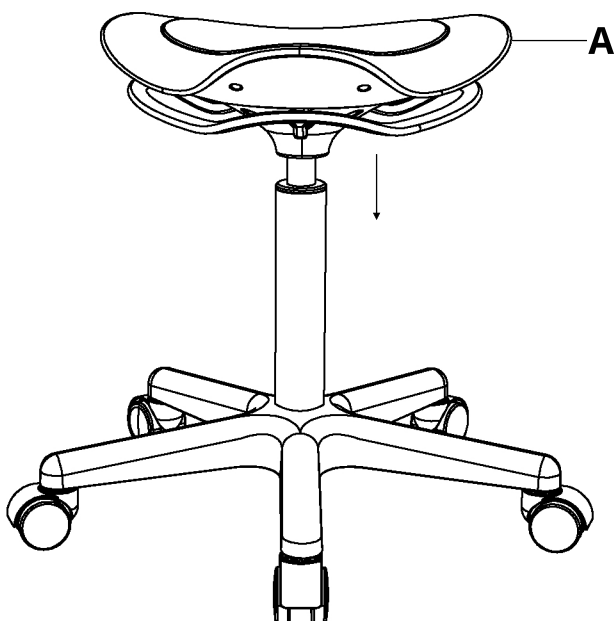

Inserire le rotelle (B) nella base (C) e montare la molla a gas (D).

- 2** Entfernen Sie die Schutzkappe von der Gasfeder.

Remove the protective cap from the gas spring.

Verwijder de beschermkap van de gasveer.

Rimuovere il cappuccio di protezione dalla molla a gas.

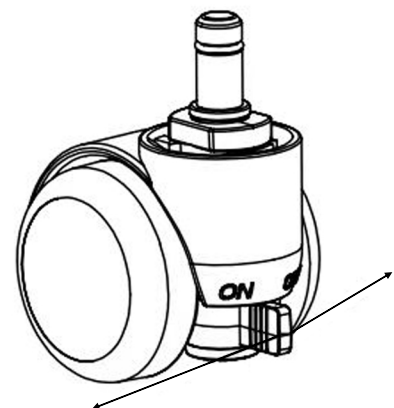

- 3** Setzen Sie die Sitzfläche (A) auf die Gasfeder.

Place the seat (A) onto the gas spring.

Plaats de zitting (A) op de gasveer.

Posizionare la seduta (A) sulla molla a gas.

- 4** Stellen Sie über den Hebel die Brems-Funktion ein.
OFF: Sobald der Stuhl belastet wird, greift die Bremsfunktion.
ON: Die Bremsfunktion ist deaktiviert.

Use the lever to set the brake function. OFF: The brake engages as soon as weight is applied to the chair. ON: The brake is disabled.

Stel de remfunctie in met de hendel. OFF: Zodra er gewicht op de stoel wordt gezet, treedt de remfunctie in werking. ON: De remfunctie is uitgeschakeld.

Regolare la funzione di frenata tramite la leva. OFF: la funzione di frenata si attiva non appena la sedia viene sottoposta a carico. ON: la funzione di frenata è disattivata.
